The West Garland Neighborhood Association (WGNA) meets four times a year, and has no dues. Anyone can attend and vote if they live within District 6's boundaries, west of Shiloh Rd, south of Buckingham Rd, North of Forest Lane, and east of the Garland city limits (generally along Plano Rd). Also includes the area between Forest Lane and Miller Road from Shiloh Road east to Garland Road.

Our goal is to share news and events and collect suggestions and complaints so that we can improve our neighborhood. We need your participation to continue to protect and improve the quality of life in West Garland.
